

# World Plumbing Conference CALGARY, CANADA

24 - 28 SEPTEMBER, 2008

## "CALLING ALL PLUMBERS AND PARTNERS"

It is only 11 months till the 8th World Plumbing Conference, from 24 - 28 September 2008, in beautiful Calgary, Canada.

Canada & Alaska Specialist Holidays have designed 3 exclusive itineraries for Australian plumbers and their partners to attend the conference and have some fun doing it. Don't forget, attending the conference and having meetings with other plumbers in Alaska and Canada insures this trip qualifies as a business expense and obviously a tax deduction.

Visit Alaska, the "Great Land" and see Mt McKinley, the tallest mountain in North America at just over 6,000 meters. Wonder at the wildlife as you see Grizzlies, Caribou, Bald Eagles, Whales, Seals and a full range of animals unique to North America. Also, visit some of the First Nations communities to see how the local natives and Inuits (Eskimos) lived in this harsh land.

View amazing glaciers and ports of call like Juneau, Skagway (the start of the 1898 Gold Rush) and Ketchikan (where John West gets his salmon!!) on your 8 Day/7 Night cruise on Holland America's Zaandam in 5 star comfort. All your meals and entertainment are included on board your floating hotel as you cruise the protected waters of Alaska's Inside Passage.

Visit Vancouver and Victoria before heading through the Rockies on the Rocky Mountaineer. See Jasper, Banff & Lake Louise, where we stay in the famous Fairmont Chateau Lake Louise, before heading to Calgary.

Judy Collis, well known to most of you, will be hosting Tour C from Sydney back to Sydney and Tour B within Canada. Why not join her to have the trip of a lifetime. All 3 tours include 4 nights accommodation at the Hyatt Regency Calgary, the conference hotel.

For Conference Registration (additional cost), detailed tour itineraries and booking form please contact me.
